

DONATION IMPACT EXAMPLES

ONE-TIME GIFTS

These examples demonstrate how one-time donations can make a difference in our community. The amounts are based on United Way operated or funded programs and initiatives. These graphics are ideal for use in newsletters, emails, intranet sites, social media, and posters.

Giving Examples:

\$50 can provide childcare for a parent to attend a financial empowerment session, creating financial stability.

\$365 can provide **12** families with a **Kid Kit®**, ensuring they have the tools and skills that support healthy early childhood development.

\$1,250 can provide a brighter future for a student and their family through All in for Youth wrap-around services for one year.

\$5,000 can provide resources to empower **50** women in a job training program.

\$10,000 can provide wrap-around psychological support for **two** families, including play therapy and advanced trauma processing.

4 volunteers can help **100** people stay warm by spending **1 hour** sorting **Coats for Kids and Families** donations.
