

# DONATION IMPACT EXAMPLES

## PAYROLL DEDUCTIONS

These examples demonstrate how one-time donations can make a difference in our community. The amounts are based on United Way operated or funded programs and initiatives. These graphics are ideal for use in newsletters, emails, intranet sites, social media, and posters.

### Giving Examples:

**\$2 bi-weekly** can provide childcare for a parent to attend a financial empowerment session, creating financial stability.

**\$15 bi-weekly** can provide **12 families** with a **Kid Kit®**, ensuring they have the tools and skills that support healthy early childhood development.

**\$50 bi-weekly** can provide a brighter future for a student and their family through All in for Youth wrap-around services for one year.

**\$200 bi-weekly** can provide resources to empower **50 women** in a job training program.

**\$385 bi-weekly** can provide wrap-around psychological support for **two families**, including play therapy and advanced trauma processing.

**4 volunteers** can help **100 people** stay warm by spending **1 hour** sorting **Coats for Kids and Families** donations.
