By investing in United Way, you're joining a movement of changemakers and amplifying your impact on the lives of vulnerable neighbours in our communities.

\$50 can provide childcare for a parent to attend a financial empowerment session, creating financial stability.

\$100 can provide resources to someone in a job training program.

\$200 can subsidize one hour of counselling for a woman experiencing domestic violence

\$365 can provide 12 families with a **Kid Kit®**, ensuring they have the skills that support healthy early childhood development.
